As an Admin, the user can :

1. Do everything a customer does AND
2. View admin inventory and update the quantities and availability
3. Keep a record of product order audit trail.

The screenshot shows the 'Admin Inventory' page. The header is identical to the previous page. The main content area displays a table with 10 rows of product inventory data. Each row includes a 'Product ID', 'Product Name', 'Available Quantity', 'Available in Cart', 'Total Quantity', and a 'Quantity to Update' input field. A small 'x' icon is visible in the bottom right corner of the page.
